

## Cookie Statement

*Last updated: January 2026*

### 1. What are cookies?

Cookies are small text files stored on your device when visiting a website.

They are used to ensure basic functionality and, where applicable, to collect anonymized usage information.

---

### 2. Cookies we use

Human Current uses only **essential and functional cookies**.

These cookies are required for:

- basic website functionality
- security
- correct display and navigation

We do **not** use:

- tracking cookies
  - advertising cookies
  - third-party marketing cookies
- 

### 3. Analytics

If analytics are used, they are configured to be **privacy-friendly** and collect only anonymized data. No individual user profiles are created.

(If you do not use analytics at all, you can remove this section.)

---

### 4. Managing cookies

You can manage or disable cookies through your browser settings.

Please note that disabling functional cookies may affect the usability of the website.

---

### 5. Changes

This Cookie Statement may be updated from time to time.

The most recent version will always be available on this website.
